MISSION
As a leading educational institution, the mission of the SJECCD is to meet the diverse educational and workforce needs of our community by empowering our students to become agents of socio-economic change.

VISION
SJECCD is the premier institution for advancing opportunity, equity, and social justice for every one through educational excellence.

VALUES
Opportunity • Equity • Social Justice

Planning and decision-making functions are a combination of administrative procedures and shared governance consultation. This handbook is to serve as a resource to aid in understanding the District’s processes.

The administrative and governance structures and processes are available to each and every employee. As a large and complex organization, understanding how our systems work will help all individuals understand how to utilize the system effectively and efficiently as each person contributes to the work of this District.

The SJECCD District’s handbook serves as (1) a reference guide to the District Office organization, (2) a listing of staff, (3) organization charts, (4) governance structures and processes. It is to be used as a resource for both employees and community members.

The San José – Evergreen Community College District is governed by a seven-member, locally elected Board of Trustees, and two student trustees. The seven Trustees are elected in even-numbered years to four-year terms by the voters of San José and Milpitas. Each Trustee represents a specific geographic area. Two students, one representing each college, serve a one-year term.

The Board of Trustees aspires to achieve excellence in fulfilling the Board's responsibilities for governance of the District. The Board's Ends Policies and Governance Principles establish: (1) how the Board will govern to achieve its visionary objectives; and (2) management authority that the Board delegates to the Chancellor to run the affairs of the District along with requirements for the Chancellor’s exercise of that authority.

The Board seeks to establish practices for individual Trustees and for the Board as a whole that ensure:

- Effective and efficient participation of each Trustee;
- A clear understanding of the roles and responsibilities of individual Trustees;
- A clear understanding of roles and responsibilities of the Board as a whole;
- An understanding of the difference between the Board’s governance role and Chancellor's responsibility to manage the affairs of the District;
- The Board establishes a clear vision, values, and strategic priorities, for the District;
- The Board adopts Ends Policies that clearly establish the Board's expectations for the results the Board expects the Chancellor to achieve;
- The Board delegates that responsibility to the Chancellor to lead the District towards achievement of the Board’s Ends Policies;
- The Board fully empowers the Chancellor to hold and exercise all executive authority necessary to lead the District towards achievement of the Board’s Ends Policies;
- The Board establishes requirements for the Chancellor’s exercise of the management authority that the Board delegates to the Chancellor;
- Individual Trustees and the Board as a whole exercise the self-discipline necessary to avoid any interference with the Chancellor’s exercise of the management authority delegated to them by the Board;

QUESTIONS OR SUGGESTIONS? Please send an email to iess@sjeccd.edu with the subject line “Handbook.”
• The Board evaluates its own Governance performance on an ongoing basis;
• The Board holds the Chancellor responsible for making demonstrable progress towards achievement of the Board’s Ends Policies and compliance with the Executive Requirements specified by the Board.

The Chancellor, the District’s Chief Executive Officer, is responsible for carrying out policies as approved by the Board of Trustees and for providing overall leadership for the District.
BOARD MEETINGS

Board meetings are conducted in public and include opportunities for individuals to address the Board. The Schedule of Governing Board meeting dates and corresponding deadlines for each calendar year are approved by the Board at the December meeting. This schedule is posted on the District website and lists the meeting dates, location of meetings, and the dates in which items are due to the Chancellor’s office for inclusion in the Board agendas. Typically, regular meetings of the Board are held on the second Tuesday of the month, with the exception of the month of August, which is held on the last Tuesday of the month. In the months of January, February, April, May, and October, an additional board meeting is scheduled on the fourth Tuesday of the month.

The District utilizes BoardDocs® for the posting of board agendas. A link is provided at the District website homepage, www.sjeccd.edu, which takes the public directly to the site of the posted agendas. An agenda containing brief descriptions of each item of business is posted in compliance with the Ralph M. Brown Act; i.e., regular meetings are posted 72 hours prior to the meeting and 24 hours for special meetings. The Board agenda outline is posted at the District Office and various locations at both colleges. A hard copy of the full agenda is available for public review at the District Chancellor’s Office, the Presidents’ Offices, the Vice President of Student Services’ Offices, and the Library at each college campus. The posted agenda outlines and hard copies of the agendas are discarded after each meeting. One hard copy of the full agenda for each meeting is kept by the District perpetually.

PLACING MATTERS DIRECTLY RELATED TO DISTRICT BUSINESS IN AN AGENDA

In accordance with Education Code Section 72121, members of the public may place matters directly related to District business on an agenda for a Board meeting by submitting a written summary of the item to the District Chancellor and the Board President. The written summary must be signed by the initiator. Agenda items submitted by members of the public must be received by the District Chancellor’s Office by the District’s published deadline prior to the regularly scheduled Board meeting at which the submitted item is to be addressed. Any agenda item submitted by a member of the public and reviewed by the Board at a public meeting cannot be resubmitted by the member of the public before the expiration of a 90-day period following the initial submission. The process for the submission of board agenda items by members of the public is further outlined in BP and AP 2340 Agendas.
Employees of the District who are responsible for submitting board agenda items on behalf of their departments or divisions will utilize the BoardDocs® system submission and approval process, which has been set up by the Chancellor, Vice Chancellors, and College Presidents.

INFORMATION ON PUBLIC COMMENTS

The Board of Trustees offers an opportunity for the public to address the Board in four sections of the agenda:

- On matters of concern about Closed Session items;
- On matters not appearing on the agenda;
- On action items contained in the Consent Agenda; and
- Prior to voting on any item contained in the Action Agenda.

Members of the public that wish to address the Board may request to do so in person at 40 S. Market Street, San José, CA 95113 on the board meeting date. Each speaker may submit a comment card to the Board Clerk to be recognized to speak.

Per Board Policy 2345, up to three minutes may be allotted to each speaker with a maximum of 30 minutes per subject. No action or discussion shall be undertaken on any public comments except that members of the Board or its staff may briefly respond to or ask a question for clarification regarding statements made or questions posed by persons addressing the Board under this agenda item.

For questions about the posting of Board agendas and the submission of Board agenda items, please contact Sherri Brusseau, Chancellor’s Office Supervisor, at (408) 270-6409 or sherri.brusseau@sjeccd.edu.

BOARD POLICIES & ADMINISTRATIVE PROCEDURES

Among the Board’s major responsibilities are the establishment and final adoption of all Board Policies (BPs). Administrative Procedures (APs) are the responsibility of the Chancellor and the administration, in consultation with the various constituencies of the District, and do not require adoption by the Board of Trustees. To ensure regular review of BPs and APs, the District subscribes to a Policy and Procedure Service, which provides annual updates. Each of the seven chapters of BPs and APs are reviewed on a six-year cycle. Each year the District Chancellor’s Office will notify all appropriate parties of the chapter(s) to be reviewed.

The following process outlines the continuous review cycle (table 1), and policy and procedure review flowchart (figure 1) as outlined in AP 2410 Board Policies and Administrative Procedures.

DISTRICT SHARED GOVERNANCE COMMITTEES
DISTRICT SHARED GOVERNANCE COMMITTEES

The Board of Trustees of the San José – Evergreen Community College District is committed to collegial governance. In accordance with Title 5, Sections 51023.7, 51023.5, and 53200-53204, and the mission of San José – Evergreen Community College District: the District shall adopt policies for the appropriate delegation of authority and responsibility to the Academic Senates, and provide students and classified staff with an opportunity to participate in the formulation and development of policies and procedures that have or will have a significant effect on students and staff.

Board Policy 2510 was adopted with the intent of ensuring that faculty, students, and classified staff have the right to participate effectively in the governance of the District. The policy also ensures the right of the Academic Senates to assume primary responsibility for making recommendations in the areas of curriculum and academic standards. This policy also does not limit other rights and responsibilities of management and the Board as specifically provided in existing state and other regulations.

The major District participatory governance councils and committee groups:

- District Council
- District Budget Committee
- District Institutional Effectiveness Committee
- District Technology Planning Committee

Other committees and workgroups may function under the auspices of the Vice Chancellor, Associate Vice Chancellors, and Executive Directors in order to carry out specific functions.

QUESTIONS OR SUGGESTIONS? Please send an email to iess@sjeccd.edu with the subject line “Handbook.”
HOW DISTRICT SHARED GOVERNANCE COMMITTEES WORK

There are four district shared governance committees: District Council (DC), District Budget Committee (DBC), District Institutional Effectiveness Committee (DIEC), and District Technology Planning Committee (DTPC). Constituency group members are appointed to these committees to represent their constituency’s voice on committee business as well as to communicate the work of the committee back to their constituency group. Committees make recommendations to the committee chairs.

DBC, DIEC, and DTPC report to the District Council. Committee Chairs report committee actions at the DC meeting, allowing for transparency and accountability. This is also another opportunity for constituency groups to provide additional feedback to committee chairs.

District Committees are not Brown Act Committees and are therefore not subject to Brown Act requirements.

QUESTIONS OR SUGGESTIONS? Please send an email to iess@sjeccd.edu with the subject line “Handbook.”

Members of the Council will be responsible for bringing information back to their constituent groups. This permits a constant flow of information between the colleges and the District Office, and across all planning activities of the various entities and constituency groups.

The duties of the council shall include the following:

- Articulate a vision of the future for the District, reflective of its mission.
- Develop a set of long-range goals for the District through a collaborative process involving all segments of the District.

RETIREMENT BOARD OF AUTHORITY

The San José – Evergreen Community College District Retirement Board consists of nine members appointed by the Board of Trustees to govern the District’s compliance plan relating to Governmental Accounting Standards Board (GASB) Statements 43 & 45. These statements recommend reporting and funding guidelines for Other Post-Employment Benefits (OPEB) (i.e., retiree medical, dental and other welfare plans provided to eligible employees and retirees). According to a GASB 43 & 45 actuarial report completed in November 2007, the District had an annual accrued OPEB liability on June 30, 2007 of $47,719,500. Of this amount, $37.2 million represented the estimated liability for current retirees’ welfare benefits and $10.5 million represented the estimated liability for active employees not yet retired who are eligible for welfare benefits.

The Retirement Board’s first official meeting was conducted on February 7, 2008. The Board approved a plan to be compliant with GASB 43 & 45 compliance guidelines, including establishment of an irrevocable trust from which OPEB liabilities are to be paid. The Board appointed a GASB 43 & 45 advisor, a trust company and an investment manager as part of the compliance plan. It also established a formal investment policy and reviews the performance of the trust company, which in turn monitors the performance of the investment manager in achieving the goals reflected in the investment policy.

All Retirement Board meetings are subject to the requirements of the Brown Act.
